Actions

treesystems will publish and maintain on its website, accurate details about student fees and treesystems refund policy.

During the pre-enrolment interview, treesystems will provide the prospective student with all relevant fee information including fees that must be paid, payment terms and conditions including deposits and refunds.

treesystems will not accept pre-paid fees in excess of \$1500.

Procedure to apply for a refund of enrolment fees

The person or business entity who paid the enrolment fee must make a formal application for a refund of the fee by emailing mike@treesystems.com.au, specifying which enrolment the refund applies to, and the reason for the refund.

A student may make an application for a fee refund on behalf of their employer, but the refunded fee would be paid to the employer.

Where eligible, fees will be refunded by bank transfer directly to the account of the person or business entity who paid the fees.

Refund Policy

Eligibility for refund

Enrolment fees are charged in advance of the workshop or class to which they apply. Enrolments may be full fee paying or at subsidised fee rates (with or without concession).

Refunds will be granted at the following rates:

- If treesystems cancels a class or workshop, the full fees paid for that class or workshop will be refunded
- If the refund is requested at least 2 full weeks (14 days) before the scheduled start of the class or workshop, 100% of the fees will be refunded
- If the refund is requested less than 14 days before the scheduled start of the class or workshop, 50% of the fees will be refunded
- No refund will be granted if the refund is requested on or after the scheduled start of the class or workshop.

These percentages apply to full fees or subsidised fees (with or without concession).

Special consideration may be made in the case of illness or other extenuating circumstances at the discretion of treesystems Executive Director (email mike@treesystems.com.au).
